

## Spring 2025 REGISTRATION

### Ballet Hip-Hop classes held at YHALE

Wednesday 4:00-5:00: Grades K-2nd  
August-December  
Classes begin Wednesday, January 22nd, 2025

## Ballet Hip-Hop

An exciting dance class that offers a wide range of fun and upbeat movements! Since children naturally respond to music and movement, all of the activities are presented through popular dance music. In the program, children learn class discipline, listening skills, coordination skills, basic right and left skills, patterns in movement, and basic dance techniques.

Ballet is the foundation for all dances. Through ballet, dancers are trained to appear gentle and graceful in their movements. Ballet technique requires a tremendous amount of strength, balance, and flexibility.

In Hip-Hop, students learn fun dance combinations and develop the body mechanics, rhythm, leaps, turns, balance, and combinations in the center to dance confidently in any environment. This style of dance is known for fast, athletic movements and body isolation. As with all CMD programs, music and choreography are **age-appropriate**. Ballet Hip-Hop is a great activity for boys and girls!
