## **What is a School-Parent Compact?**

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade-level academic standards.

This compact will:

Link to goals of the district improvement plan

Describe parent and student responsibilities to engage in specific at-home learning activities to promote student academic growth

Explain how parents and the school will participate in regular, two-way communication

Describe how the school and parents will build and develop a partnership to help children achieve the State's high academic standards

## **Jointly Developed**

All Families were encouraged to attend our Parent Input Meetings in the spring semester to review and revise the School Family Compact. Parents, staff and students completed a stakeholder input survey to offer their suggestions and input. Stakeholder input survey is also available on the school's website. Families are welcomed to provide feedback on the compact throughout the school year
