IN-PERSON PTO MEETING MARCH 19th

Please join us for our Spring in-person PTO meeting on March 19 at 6:30pm. We will be presenting a recap of what the PTO has accomplished with your support, and a look ahead to next year. The meeting will be in the New Building.

SPRING PICTURE DAY MARCH 21

A colorful poster for Spring Picture Day. At the top, there's a string of clothespins holding small cards with floral and leaf designs. The main title "SPRING PICTURE DAY" is in large, bubbly green letters. To the right is a photo of two children, a girl and a boy, standing together. Below the title is a decorative line of red and blue loops. The word "DATE" is in pink, followed by the text: "Spring Picture Day is March 21st (K-6th). If parents are interested in sibling photos please notify your students teacher." Below that, "ATTIRE" is in pink, followed by: "Students will be taking their photos in regular clothes if they wish." Then "REMINDER" is in pink, followed by: "There will be no make-up pictures for the spring session. Parents will also receive a link to their email address for the photos so they can purchase." At the bottom right, there's a photo of two young girls and a sign that says "Spring = PICTURE DAY IS COMING!" in white text on a dark blue background.

IN-SCHOOL FIELD TRIP MARCH 24-28

The PTO will be sponsoring our upcoming in-school science field trip. Thank you to our generous YHALE parents who make it possible for the PTO to continually support our students.

GaDOE Climate Survey

Please consider filling out the YHALE Family Survey!

The GaDOE climate score is an important indicator of culture and climate within each Georgia school. Each school will receive a rating from 1 to 5 stars; five stars represents an excellent school climate, and one star represents a school climate most in need of improvement. The higher the score, the better impact it has on our CCRPI score.

The parent climate survey is an anonymous survey. It helps schools identify areas for improvement to create a safer, more welcoming school community. You can participate in this annual data collection by clicking the link below.
