III. Consider Virtual Classes for January 5 – January 7 due to teacher/staff shortage

- A. An abundant number of teacher and staff are/will be out sick personally or because they have a family member who is ill or has Covid or is waiting for Covid test results
 - a. Dr. Yu states that lead teachers are calling in sick as well as staff. If we have one more lead teacher out, we will not be able to sub for all the classes
 - b. Liza states that we need to discuss and agree now to give time to everyone to plan ahead. If we go ahead with the plan to open in-person classes Wednesday, and we have an abundance of people out, everyone will not have time to prepare for Thursday and Friday.
 - c. Most emails Liza is receiving from parents/staff/teachers ask that the School consider going virtual for this week of January 5 - January 7
 - d. Virtual classes will vary dependent on grade/teachers
- B. A number of parents have communicated concerns for returning to in-person classes due to the high rate of Covid infection in the Atlanta Metro area recently and currently.

IV. Public Comments – Second Opportunity

- a. Kei Ramsey-Colbert stated she emailed in and both her children have COVID. High fever did not start until the afternoon in one child and the other didn’t develop until two days later. She is worried that this can be more common in general.
